

CALL FOR PAPER

4th ICGSI & 3rd LCA AGRI-FOOD ASIA

22-24 May 2014 at Pullman King Power Bangkok Hotel, Thailand

ICGSI & LCA AGRI-FOOD ASIA

Objectives

- ICGSI serves as an international forum for governmental organisations, higher research and educational institutes, and private companies to share recent developments in LCA methodology, databases and tools, as well as applications of LCA for green, innovative and sustainable business and green economy
- LCA AGRI-FOOD ASIA aims to stimulate regional networking between governmental organisations, higher research and educational institutes, and private companies. It will provide a forum for the sharing of knowledge and experiences on LCA applications for sustainable agriculture, sustainable intensification of food production systems, innovative technology of low-carbon products as well as to create "collaborative" research projects & food databases at the regional level

ICGSI topics

- Innovations and green technology for industry
- Eco-design, green packaging and low-carbon products
- Eco-material and green building
- Environmental footprints and management
- Sustainability assessment and indicators
- Sustainable society and lifestyle
- Trade and environment
- Green energy and energy efficiency

*Important note: Special session for students & Side events (Workshops on carbon footprint, water footprint, and LCA software)

LCA AGRI-FOOD ASIA topics

- Food, feed, fuel and climate change
- Green agriculture production systems
- Sustainable food production and consumption
- Trade-off between yield and environmental impacts
- ASIAN food databases

*Important note: Special session to discuss regional collaborative projects

Short paper

About 3-4 pages in length, with tables, illustrations and references

Selected papers will be considered for the following journals:

- International Journal for LCA (Impact Factor = 2.773)
- Energy for Sustainability Development Journal (Impact Factor = 2.221)
- Environment and Natural Resources Journal

Full paper template & registration form available at: <http://lcaagrifoodasia.org/ICGSI2014/index.html>

*** Important deadlines ***

Short paper submission (March 1, 2014), Announce result (April 1, 2014),

Early-bird registration (April 10, 2014), Registration deadline (April 30, 2014)
